

**“You sir, are an amazing performer... I would pay any amount of money to sit and watch this concert. I want every person in America to see your show!” -Howie Mandel**

**“An instrument unlike anything Bach or Beethoven could have ever imagined. It’s like being inside a giant cello.”**

**– *The New York Times***

## *William Close & The Earth Harp Collective* *70<sup>th</sup> Anniversary Concert*

**Sunday, March 15, 2015 | 3:00 PM | The Forum, Harrisburg**

You may have seen him as a finalist on *America’s Got Talent*, but did you know that William Close has invented over 100 instruments including the largest stringed instrument in the world? Mark your calendar for this special family performance by *William Close and The Earth Harp Collective* benefitting The Silver Academy. To see William in action, visit [williamandtheearthharp.com](http://williamandtheearthharp.com).
