MANAGEMENT SYMPOSIUM
&
ILLINOIS CHAPTER
ANNUAL MEETING**

Saturday, May 17, 2014

7:00 am - 4:00 pm

The Hyatt Lodge

at McDonald's Campus

2815 Jorie Blvd. | Oak Brook, Illinois 60523

In Cooperation With:
Chicago Adult Congenital
Heart Network

Jointly sponsored/Co-provided
by the ACC Foundation:

AMERICAN
COLLEGE of
CARDIOLOGY

Welcome & Objectives

Dear Colleague:

We invite you to join us and our outstanding faculty for the 11th Annual Illinois Chapter ACC Practice & Patient Management Symposium being held on Saturday May 17, 2014. This year we are excited to be partnering with the Chicago Adult Congenital Heart Network (CATCH) to provide a dual tract program. Attendees will gain in-depth knowledge and insight into a variety of key issues from administrative and medical management perspectives.

Upon completion of this program, attendees should be able to:

ACC/AHA 2014 Valve Guidelines

- Describe current ACC/AHA valve disease guidelines
- Identify staging system for valvular heart disease
- Identify risk assessment in decision making for valve intervention

Adult Congenital Heart Overview and Program Objectives

- List two ways a cardiologist can treat a patient with congenital heart disease

Adult Cardiology Tract Objectives:

- Describe the type of care team approach for a successful TAVR program
- Identify three key elements for a valve clinic
- Promote best practice for the CAD antiplatelet therapy treatment through review and application of the new 2013 STEMI guidelines and the current AUC and how they interact with each other
- List three diagnostic aides for pulmonary hypertension
- Identify the indications and role of newer agents in the treatment of pulmonary hypertension
- Describe the impact of PVD on the care of cardiac patients
- Encourage the importance of comprehensive cardiovascular care and its future role in shaping the cardiovascular practice

Adult Congenital Tract Objectives:

- Describe current guideline recommended practice in ACHD patients and identify potential solutions to service deficiencies within Illinois
- Describe the assessment and guideline recommended management of patients with repaired Tetralogy of Fallot and identify solutions to morbidity associated with lack of follow-up care
- Describe the pathophysiology of the failing right ventricle and discuss current treatment options
- Discuss three evolving interventional therapies for ACHD patients with main focus on transcatheter pulmonary valve replacement and identify patients who are eligible and may benefit from this
- Identify the incidence and management of pulmonary hypertension associated with ACHD and discuss three evolving drug therapies

Lunch Program: Lipid Lowering Therapies

- Describe the controversy surrounding the new lipid guidelines
- Identify critical clinical parameters necessary to the care team in the care of lipid patients

Practice Management Objectives

- Evaluate the challenges associated with migrating to a value-based compensation model
- Assess key components for a successful service line as the paradigm shifts to integration
- Investigate two healthcare trends in the cardiovascular setting that will impact the cardiovascular practice
- List two potential revenue or expense reductions that private practices can incorporate into their practice
- Describe key documentation elements that will help protect the cardiovascular team from a practice audit
- Elaborate on the importance of public reporting and how it affects your practice

We look forward to seeing you there.

Marc Shelton, MD, FACC, FESC
Governor, Illinois Chapter ACC

Raed Al-Dallow, MD, FACC
Program Chair

Agenda

Registration/Breakfast/Exhibitors		7:00 am
ADULT CARDIOLOGY TRACT OVERVIEW AND PROGRAM OBJECTIVES		7:30 am
ACC/AHA 2014 VALVE GUIDELINES	Patrick T. O’Gara, MD, FACC <i>Brigham and Women’s Hospital, Boston</i>	7:45 am
ADULT CONGENITAL HEART OVERVIEW AND PROGRAM OBJECTIVES	Damien Kenny, MD <i>Rush University Medical Center</i>	8:30 am
PATIENT MANAGEMENT UPDATE TRACTS		
ADULT CARDIOLOGY TRACT	ADULT CONGENITAL HEART TRACT	
Clinical Update on Structural Heart Interventions: Current Status of TAVR and the Role of Percutaneous Mitral Valve Repair Technology Michael Salinger, MD, FACC <i>NorthShore University HealthSystem</i>	ACC/AHA Guidelines and Service Delivery Julie Kovach, MD <i>Wayne State University, Detroit</i>	9:15 am
Dual Antiplatelet Therapy for ACS and PCI: How Are Newer Agents, Functional and Genetic Testing Affecting Our Current Choices? Sandeep Nathan, MD, FACC <i>University of Chicago</i>	Repaired Tetralogy of Fallot: Ticking Time Bomb Andrew de Freitas, MD <i>Northwestern Memorial Hospital</i>	9:45 am
Pulmonary Hypertension: Diagnostic Challenges, and the Latest in Advanced Therapies Sanjiv Shah, MD, FACC <i>Northwestern University</i>	The Systemic Right Ventricle – Heart Failure of a Different Kind Peter Varga, MD, FACC <i>University of Chicago Medicine</i>	10:15 am
Break/Exhibits		10:45 am
Peripheral Vascular Disease in Cardiology Practices: Procedure Updates, Clinical Impact, and Future Direction Jeffrey Goldstein, MD, FACC <i>Prairie Cardiovascular Consultants</i>	Update on Transcatheter Interventional Therapies in ACHD Patients Damien Kenny, MD <i>Rush University Medical Center</i>	11:15 am
Panel Discussion: Dr. Salinger, Dr. Nathan, Dr. Shah, and Dr. Goldstein	Pulmonary Hypertension in ACHD – Assessment and Treatment Joel Hardin, MD, FACC <i>Loyola University Medical Center</i>	11:45 am
Break/Exhibits		12:15 pm
Lunch : CARE-BASED GUIDELINE-DRIVEN, LIPID LOWERING THERAPY FOR ALL AGES IN 2014	Neil Stone, MD, FACC <i>Northwestern University</i>	12:30 pm
PRACTICE MANAGEMENT UPDATE		
PHYSICIAN COMPENSATION	Jerome Hines, MD, FACC <i>Illinois Heart and Vascular</i>	1:15 pm
CARDIOVASCULAR SERVICE LINES	Michael Kline, COO <i>Heart Care Centers of Illinois</i>	2:00 pm
PANEL DISCUSSION: SURVIVING IN A PRIVATE PRACTICE	Dr. Marc Shelton, Michael Kline, Cathleen Biga	2:45 pm
PREPARING FOR A PRACTICE AUDIT	Cathleen Biga, CEO <i>Cardiovascular Management of Illinois</i>	3:15 pm
Concluding Remarks/Going Forward		3:45 pm

Overview

GOAL STATEMENT

The rapidly changing healthcare environment often leaves the entire CV team struggling to find the most current and up to date information to manage their patients and practices. From new treatment guidelines to the multiple regulatory requirements, this educational conference will provide the CV team an opportunity to identify the most current available information.

STATEMENT OF NEED

The overall goal of this activity is to improve patient care by increasing learner competence in understanding the newest treatments and guidelines in the major cardiovascular diseases, understanding where healthcare is headed and the regulatory requirements facing all practices.

TARGET AUDIENCE

This meeting is designed for Cardiologists, Cardiology Administrators, Nurses, Nurse Practitioners, Clinical Nurse Specialists, Physician Assistants, Pharmacists and any other interested specialties.

ACCF DISCLOSURE/CONFLICT OF INTEREST

ACCF/Chapter committee members, faculty, staff and other individuals who are in a position to control the content of this activity are required to disclose all relevant financial relationships with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. All relevant potential conflicts of interest that are identified are thoroughly vetted through a process that includes course directors and appropriate peer review by education committee chairs/members, for fair balance, scientific objectivity and validity, patient care and safety recommendations. Full disclosure can be found in the course materials.

ACCREDITATION AND DESIGNATION STATEMENT

- **CME/Physician:**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American College of Cardiology Foundation (ACCF) and the Illinois Chapter of the American College of Cardiology. The ACCF is accredited by the ACCME to provide continuing medical education for physicians.

The ACCF designates this live activity for a maximum of **7.5 AMA PRA Category 1 Credit(s)**[™]. Physicians should only claim credits commensurate with the extent of their participation in the activity.

- **CNE/Nursing:**

The American College of Cardiology Foundation (ACCF) is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

The ACCF designates this educational activity for a maximum of **7.5 continuing education hours**. Requirements for successful completion are attendance in a session in its entirety and completing the evaluation tool.

While offering credits as noted above, this program is not intended to provide extensive training or certification in the field.

TO REGISTER, GO TO WWW.ILACC.ORG

**EARLY REGISTRATION IS AVAILABLE
THROUGH APRIL 30**

Registration

11th Annual Illinois Chapter of the ACC Practice and Patient Management Symposium

MAY 17, 2014 | 7:00 AM - 4:00 PM

The Hyatt Lodge | 2815 Jorie Blvd. | Oak Brook, Illinois 60523

HOW TO REGISTER:

Online: Register securely online through www.ilacc.org
or scan the QR code to the right

Mail: Complete this form and mail with payment to:
Illinois Chapter ACC | 11 Salt Creek Ln. | Hinsdale, IL 60521

Fax: Complete this form and fax to: 630-972-6259*

Name: _____

MD DO PA PhD RN ARNP Other _____

Contact Release: By completing this form, you are allowing the IL-ACC to release the contact information provided to our sponsors for solicitation. If you would not like to have your contact information released to our sponsors, please check this box:

Practice/Institution Name _____

Address _____

City _____ State _____ Zip _____

Day Time Phone _____ Fax _____

Email _____

Scheduler's Name _____ Phone: _____

I am an ACC National Member (Member # _____)

Registration Fee	Before May 1	On/After May 1
<input type="radio"/> ACC Member	\$75	\$95
<input type="radio"/> Non-Member	\$150	\$170
<input type="radio"/> Fellows In Training	Free*	Free*
<input type="radio"/> Cardiology Administrators	\$50	\$75
<input type="radio"/> ACC Cardiac Care Assoc.	\$25	\$40

* FITs: While admission is free of charge, we ask that you register so we can plan accordingly.

Payment Information (all fields required)

Check (Payable to IL-ACC) Visa Mastercard

Cardholder Name _____

Card Number _____

Exp. Date _____ 3 Digit Sec. Code (required) _____

Signature of Cardholder: _____
