Sept, 2014

Join the Historical Society's Annual Daffodil Drive

The Divide Friends of the Arts & Historical Society (DFAHS) urges you to support this year's daffodil drive. You can buy bulbs to donate back to be planted on the divide.

For years the Society has awarded scholarships to graduating seniors interested in pursuing a major or minor in the arts or history. The daffodil fund-raiser this fall allows us to grant larger scholarships.

This May, we gave a special memorial scholarship in honor of Jack Anderson, our past Vice President. Fund A \$1250 scholarship was awarded to Brianna Kuppinger who will be attending the Academy of Art with a major in game design. This year we also had the Art Coop join our organization so they could use our non-profit status.

We thank you for your support and interest.
