**O**ur mission is to reduce the number of homeless dogs and cats from becoming victim to shelter euthanasia, while educating the public on the importance of adoption and spay and neuter in our community.

Every animal we rescue is placed in a foster home, spayed/neutered, vaccinated, and micro-chipped, tested, and provided any other necessary medical care.

Once the animal is ready for adoption, they will remain in our foster program until a perfect match, between the animal and a new family is made.
