

Grey Nuns of the Sacred Heart

CREATING A COMPASSIONATE WORLD

Come and See Weekend !

WE INVITE YOU TO SPEND A WEEKEND WITH US EXPLORING WHAT IT MEANS TO BE "CALLED" BY GOD

God has a plan for each one of us. We know this in our heads, yet we find it difficult to "hear" in our hearts. We offer you this weekend to step away

from your normal routine, and tap into your own wisdom as you listen to the wisdom of Grey Nuns of the Sacred Heart who will accompany you during these days. We will pray together, share our stories, perform acts of service, and learn from one another.

"I leave all to Divine Providence. My confidence is in it. All that will happen is pleasing to God."
