A WeBeLoS Scout's quest toward his Arrow of Light Award is an important one. He is learning new skills and growing towards becoming an independent young man and transitioning into Boy Scouts.

At Arrow Quest, we understand the needs of WeBeLoS Scouts and provide an action-packed, fun-filled, exciting weekend they will not soon forget! All WeBeLoS have the opportunity to earn up to five WeBeLoS Activity Badges and hone skills in other areas of interest.

This booklet contains information your WeBeLoS will need to have a successful and fun time at this year's event. Be sure to read all information carefully as we expect participants to act in accordance with the best Scouting traditions. We have written this booklet to be easy to understand, but if you have any questions, please feel free to contact the event chair, Dawn Langley-Brady, at arrowquestchair@gmail.com.

This event will place an emphasis on Scouts acting within the best ideals of Scouting - "Do Your Best." No Den will be eligible to win awards if the Webelos-Ree Chair, Assistant Chair, or any Staff has to discipline them. We expect Den Leaders and parents to supervise their Scouts and maintain safety and discipline at all times.

Pack Coordinator

This is very important to ensure a successful event. Pack Coordinators must register the entire group 'online' by the registration deadline. For small packs, a parent may serve in this capacity and register all attendees. Packs should select a pack coordinator by October's District Roundtable Meeting. Please submit this information to your Cub Scout Roundtable Commissioner at that time. (Please include telephone number and e-mail address.) For Webelos attending from other councils, please e-mail this information to the Event Chair (see above). If a pack does not submit a name to the council, we will use the primary pack contact as the Pack Coordinator. The Pack Coordinator will be the main conduit for communication from the Event Chair to the pack. **We will distribute detailed program information to the Pack Coordinators via email.** Please ensure your Pack Coordinator provides us with an accurate email address. **The Pack Coordinator will be responsible for checking the pack in at Friday Night Leader Meeting and checking-out their Pack and picking up all medical forms on Sunday following the Closing Ceremony.**

Pack Coordinators can specify earlier deadlines for their packs to facilitate meeting this deadline.

No Unit will be allowed to register at check-in.

- **PERMISSION FORMS:** No Scout will be allowed to participate in the Webelos-Ree without a properly signed permission form. This permission form is located on the online registration form.
- **MEDICAL FORMS:** All participants must submit a BSA Annual Health & Medical Record. This form is located on the council's website – www.gacacouncil.org. **Pack Coordinators must provide a binder or notebook containing ALL of their pack's registered attendees' medical forms and registration forms to the KSR Admin office Friday, November 14th and pick it up on Sunday, November 16th.**

NOTE: This event will take place rain or shine. THERE WILL BE NO REFUNDS!

What to expect at Check- In:

Check-in will start Friday evening at **5:00 PM; please do not arrive prior to this time.** If you arrive prior to 5:00 PM on Friday, you will be asked to wait in the parking area. Pack Coordinators will not have to check their Packs in until the Leader Meeting at 9 PM. The following information **MUST be submitted by the Pack Coordinator or designee at the Leader Meeting:**

- Any changes to the original Pack Registration Form should be submitted online with applicable Registration Fees.
- Place Medical forms for ALL attendees in a folder or notebook. (No loose forms will be accepted.)

Arrow Quest 2014

Georgia-Carolina Council Webelos-Ree Leader Guide

Information

There will be an information station set up near the check-in area to help guide campers to their designated camping areas. A small map of the area will be e-mailed to all Pack Coordinators the week prior to the event. A copy of the map will also be posted on the Information Board located across the drive in front of the Administration Building and on our website: www.arrowquest.webs.com. If any further assistance is needed during the event, please see an Arrow Quest Staff Member (STAFF on back of T-shirt) or an assistant in the Administration Building (Admin).

Vehicles in Camp

Vehicles are NO Longer Allowed in Campsites – Council Policy!

- We encourage all units to use trailers if available. If units have a detachable trailer, they may leave it in their campsite during the event as long as it does not obstruct pathways, restroom access, etc. Limit one trailer per unit.
- **Units are welcome to bring wagons, wheelbarrows, etc. to carry their gear to and from campsites.** We will have one camp vehicle to transport gear to campsites. Gear transport will be first come - first served. As we normally have upwards of 600 in attendance at Arrow Quest, your patience is appreciated. Grouchy scouts are served last.
- No vehicles will remain in campsites after 9 PM unless they possess a handicapped permit/tag - limit one Arrow Quest handicapped vehicle pass per unit.

First Aid

Small needs should be tended to at the campsite using Pack first aid supplies and trained adult leaders. Larger needs should be directed to First Aid located inside Admin. Medications may be stored in First Aid.

Camping

Camping on Friday and/or Saturday night is highly encouraged, but optional. There is no additional charge for camping. Please indicate online, during Pack Registration, the number of campers for each night. We will assign campsites based on those numbers. Camping is Jamboree-style. Campsites are assigned based on the number of campers and location the previous year. Sites furthest away from water and restrooms will be rotated each year. All campers will have access to water and electricity at their nearest pavilion. Port-o-lets will be located in areas near campers. Being prepared by bringing water with you will eliminate waiting in line at the pavilions. ☺

**Packs with medical needs for electricity MUST indicate this on their registration form. We will not be able to relocate a pack at check-in. If large numbers of medically needy are attending, we will create a "Medical Only" camping area near a pavilion and no non-medical needs campers will be allowed there.*

Meals

No meals are provided at this event. All dens will use the lunch period as they decide. (i.e. a light lunch at the campsite followed by a game of volleyball or a nap.) Snacks, beverages and candy will be available at our Trading Post in addition to coffee and hot chocolate. **Extra points for Den competitions will be awarded for Packs who use mess kits in their camp sites and help reduce the amount of trash we produce at Knox Scout Reservation. **For Webelos attending only for the day on Saturday - bring a lunch with you.*

Arrow Quest 2014

Georgia-Carolina Council Webelos-Ree Leader Guide

Wristbands

All attendees will receive wristbands from the Pack Coordinator. The wristband must be worn for the duration of the event. Wristbands will help with identification & are required for the Lost Scout Plan.

T-Shirts

All WeBeLoS Scouts will receive a T-shirt with paid registration. T-shirts will be available for pick up by the Pack Coordinator during the Friday evening Leader Meeting. Please indicate T-shirt size during online registration. Adults may pre-order T-shirts online as well. A limited number of adult T-shirts will be available for purchase in the Trading Post. There will be no orders placed after the event. Our T-shirts are a hot commodity and sell out quickly! As is our tradition...t-shirts are safety green!

Water Bottles

ALL paid attendees will receive an Arrow Quest water bottle. Water Bottles will be available for pick up by the Pack Coordinator during the Friday evening Leader Meeting. **No disposable cups will be available** at Arrow Quest!

Coffee will be available at Admin for a donation. Please **bring a coffee cup with you. Reusable coffee mugs will be available for purchase at the trading post.*

Patches

All paid attendees will receive a patch (scouts and adults). Patches will be ordered after the registration deadline and be received approximately 4-6 weeks later. Patches will be given to Pack representatives at the District Roundtable Meetings once received by the Council Office. If you are in another council, the patches will be mailed to your Pack Coordinator's address.

Check-Out

For packs not camping, check out will be after the campfire in the Admin office. For packs camping, check-out will be AFTER the Pack's campsite has been cleaned, all trash removed, and the site is inspected by a member of the Webelos-Ree staff. (Please remove your trash and take to the nearest trash dumpster – behind Sewell Center.) Leave No Trace will be in full force for the event. The Pack Coordinator should contact a staff member (one will be located in each pavilion) for check-out. Once the campsite has been verified clean, the Pack Coordinator will be given all Pack Health Forms and allowed to leave. If your Pack is from a distant Council, please discuss check-out times and procedures with the event chair.

Dens

Each Pack should group boys into dens. The dens should be formed based on rank – WeBeLoS I and WeBeLoS II. The den size should be 5 to 6 boys as some activities require this size group. Dens with 10 boys or more should be broken into two smaller dens. Extra small dens should be combined. Dens may include boys that are different ranks. At a minimum, each den needs a Den Leader (preferably their own). If the Den Leader or Assistant Den Leader is not available, the Pack must assign at least one parent to lead the den during the program. Dens will be together for: Opening Ceremony, Lunch, Den Competitions, Songs or Skits during Campfire Ceremony, Scout's Own Service and Closing Ceremony. At other times, scouts will attend sessions as per their individual schedules. Free Time may include: hiking, fishing, knot tying, practicing for campfire skits, working on scouting skills, visiting Trading Post, competing in den competitions, learning to play a sport and showing scout spirit.

Arrow Quest 2014

Georgia-Carolina Council Webelos-Ree Leader Guide

Trading Post

The KSR Trading Post is located next to the Admin Building and will be open during various times throughout the event weekend to include after the campfire ceremony. The Trading Post will carry various snacks, beverages, candy, ice cream treats, scout items, items you may have left home without and KSR items including branded items from the Arrow Quest Campfire! Branding is an Arrow Quest tradition brought back from Philmont Scout Ranch in Cimmaron, New Mexico. Stop in and see us today! Cash, Check and credit cards accepted. Times will be posted on the Trading Post door and announced during the Friday evening Leader meeting.

Sports

If your scouts always have extra energy and complain of being bored, we have the solution! We have equipment for the following sports available for check-out at the Admin building:

- Badminton
- Table Tennis
- Volleyball

You are responsible for returning equipment in the same condition in which it was checked out. Den leaders/parents are also responsible for teaching their den the sport to earn the corresponding belt loop.

Volunteer Opportunities

Arrow Quest is always looking for great adult volunteers as well as Boy Scout volunteers over the age of 13 (with SM recommendation). Volunteers must have completed the following training: Youth Protection, Safe Swim Defense, Safety Afloat and Hazardous Weather. First Aid and CPR training are a plus! Volunteers are needed for teaching activity badge sessions, to assisting with parking, campfire, judging events, etc. If you would like to volunteer, please contact Dawn Langley-Brady at arrowquestchair@gmail.com.

Facebook & Website

- Please join us on Facebook at <https://www.facebook.com/#!/pages/Arrow-Quest/102753589865762>
- Please become a member of our web site at: **www.arrowquest.webs.com**. Very important event information will be posted on this site!

Schedule Alteration & Attendance

Times for the Campfire Ceremony and Closing Ceremony **will NOT be changed** except in the event of an emergency. In the past, when the rocket launch or Scout's Own Service finished early, attendees demanded to begin the next event. Unfortunately, scouts who arrived on time for these events missed a good portion of them. Please be understanding, and encourage scout-like behavior. A scout is: trustworthy, helpful, friendly, courteous, kind, cheerful, obedient, thrifty, brave, clean, and reverent.

Also, if leaving the campfire early, **please do NOT leave** in the middle of a skit. It upsets scouts when groups of people leave during their performance. Also, please remember cheerful applause is uplifting and encouraging!

Frequently Asked Questions

Q: If this program is designed around the patrol method, what is the role of the Cub Master/Pack Coordinator?

A: Their role is to coordinate their dens' registration, coordinate with the Event Chairs, keep track of medical forms, class schedules, etc. and ensure our Scouts and families have fun!

Q: Are Den Leaders required to stay with their dens?

A: Yes, during Den times. During rotating sessions, parents/leaders should accompany their Webelo Scouts.

Q: What if I do not want to camp?

A: The program runs from 8 AM to 9:30 PM on Saturday. Camping is encouraged, but not required. You can camp on Friday or Saturday night or both nights at no additional cost. If you do not camp on Friday night, please arrive at Camp Knox no later than 7:30 AM on Saturday as Check In will close at 8:00 AM.

Q: What if a family changed their mind and wants to attend after the Pack submitted the Pack's registration? (Late Registration)

A: Contact the Event Chair. The Event Chair will handle each situation on a case-by-case basis. Online registration does not allow for late registrations. However, in the event of an emergency, the event chair may make an exception. (Forgetting to register is NOT an emergency.)

Q: Are there camp T-shirts for sale?

A: YES! They are \$10 each and must be ordered by Tuesday, October 14th, 2014.

Q: You only asked for one parent/leader to walk around with each den. What about two deep leadership?

A: All the groups will be located in the same area and will be visible to other groups. The dens will not be alone with only one leader. If the den leaves the program area, the Den Leader needs to ensure there are at least two adults with the group.

Q: Will I be able to drive to my campsite?

A: Each Pack will receive one vehicle pass per 6 families that can be used for a pickup truck to haul gear. Alternatively it may be passed from car to car. That is up to your Pack. Vehicles without this pass will not be allowed into the campsite area. Packs are allowed to leave (drop) their trailer at their campsite.

Q: If I show up at noon, will I be able to drive my gear to the campsite?

A: No. A vehicle can only be driven to the campsite during Check-In and Check-Out as shown on the schedule. During these times the vehicle must also have a vehicle pass.

Q: How much does it cost?

A: \$40 for a Scout and a parent or adult partner.

Q: I have a Webelo who wants to attend, but cannot afford it. What can I do?

A: Camperships are available on a first come-first served basis for scouts in need. Cub Masters should send a request for camperships to the event chair.

Robert E. Knox Scout Reservation Rules – Revised 6/1/2010

Rules are made for the safety of participants, protection of the facility, and to provide fairness to all. Please notify all participants of the following:

- ❖ **WEAPONS:** No firearms, bows and arrows, or ammunition of any kind may be kept in the possession of a Scout or Scouter. No axes are permitted or needed. Hatchets may be used by Boy Scouts or Adult Leaders only. No fireworks of any kind are permitted on camp property. No fixed blade, sheath, or other survival knives are permitted. Folding or pocket knives are permitted by those scouts that have earned their Whittlin' Chip.
- ❖ **VEHICLES:** The speed limit for vehicles is 3MPH (walking speed). One person per seatbelt and they must be worn. No riding in truck beds. No Motor Homes, RVs, campers, or generators.
- ❖ **ALCOHOL AND TOBACCO:** No alcoholic beverages or unlawful drugs are permitted on camp property. Tobacco use is permitted only in designated areas (a designated area will be provided at check-in, if needed). BSA guidelines require a smoke-free environment for our scouts. If you must smoke, please do so out of sight of youth participants and not inside any buildings. Please "field dress" your butts and dispose of them properly, remembering the ever present danger of forest fires.
- ❖ **ATTIRE:** Closed toe shoes must be worn in camp at all times. Walk, do not run, within your campsite. Remember tent stakes and tie downs. The Scout uniform, correctly worn, is the most proper dress.
- ❖ Anyone leaving the event must sign out at the Admin Bldg and must sign back in upon return.
- ❖ **LEADERSHIP:** A Pack must have Pack leadership at all times during the event. The Buddy System should be used at all times.
- ❖ **PETS:** Pets are not allowed at camp. Please, for the safety of other campers and the pet, leave them at home.
- ❖ **LEAVE NO TRACE:** Leave No Trace guidelines are to be followed. Trash your trash. Leave nothing but footprints, take nothing but pictures.
- ❖ **CAMP AND LAKE:** Follow BSA guidelines for camping. Stay out of the lake. No water craft/swimming permitted.
- ❖ **ELECTRONIC DEVICES AND BIKES:** No electronic devices or bikes are to be brought into camp. Parents only may carry cell phones or two-way radios. The staff will be on channel 1.
- ❖ **STOVES AND LANTERNS:** Follow BSA regulations according to fuels. **Keep open flames out of and away from tents.**
- ❖ **FIRES:** FIRES WILL BE ALLOWED IN DESIGNATED FIRE CIRCLES ONLY. Do not cut trees. Bring your firewood, charcoal or collect dead wood from the ground. No pit/trench fires; use the rings provided. Never leave a fire unattended, especially when going to bed. All fires should be extinguished according to BSA guidelines.
- ❖ **ROCKS AND STICKS:** Although tempting, rocks must not be thrown or kicked and sticks may not be swung. Injury/damage to property usually results from this action. Such actions will result in you being asked to leave the campout immediately. Adult Leaders please help monitor your boys.
- ❖ **FIRST AID:** The Health Lodge (at the Admin building) will be manned during the event. Medical Emergencies should be directed through Admin during other hours. Minor first aid should be handled at the campsite if you have supplies. Medications for all Scouts and Scouters will be kept at the Health Lodge and administered by the Health Officer.

I HAVE READ ALL OF THE ABOVE RULES AND HAVE SHARED THEM WITH THE FAMILIES IN MY UNIT THAT ARE ATTENDING THIS EVENT. WE ALL AGREE TO FOLLOW THE RULES AND ARE AWARE THAT WE WILL BE ASKED TO LEAVE THE CAMPING EVENT IMMEDIATELY IF WE DO NOT.

I understand that participation in Arrow Quest 2014 offered through the Georgia Carolina Council, Boy Scouts of America, involves a certain degree of risk. I have carefully considered the risk involved and have given the above mentioned persons my consent to participate in this program from November 14-16, 2014. I also agree to allow my child's photo to be used in publicity shots, promotional videos, and newspaper and TV spots.
