Introducing Attorney: Dan F. McLennon, Esq.,  
McLennon Law Corporation,  
Counsel to the Construction Industry

Conditioning your bid can be a powerful tool for negotiating and securing your preferred contract terms and conditions. In this workshop, you will receive suggested bid condition language and tips on how to negotiate using them.

McLennon Law Corporation has a special focus on representing owners, developers, contractors, subcontractors, and design professionals in negotiating construction contracts, resolving construction-related disputes and litigation and pursuing actions on mechanic's liens, stop notices, and bonded claims. A large part of the firm's energy is expended in pursuit of clients' rights to insurance coverage. The firm also assists clients in resolving issues with the Contractor's State Licensing Board.
