

Want to bring Israel to your home? Host a Shinshin!

A Shinshin is an 18-year old Israeli from Ashkelon who is selected for a year of service as an informal educator in Baltimore. Your family can host from:

Mid-August to Mid-December
Mid-December to Mid-April
Mid-April to end of August

2014-2015 Shinshinim

Host families should have children living at home, must have an extra bedroom, and are willing to make one of our Shinshinim part of their family!
