Competitive.

At a time when every dollar counts, CDG takes pride in maintaining a competitive pricing edge against other proposals so we can help clients stay on budget.

Dedication.

Our "Service to Others" slogan means that we are dedicated to providing the best services and products to our clients. No matter the size of the project, we treat every customer as if they are our only client.

Go-to builder. From a last minute proposal to close a lease to an emergency building repair during a holiday, CDG is available when clients need them most. It's for this reason that 85% of CDG's business comes from repeat clients.

This year, the overarching theme for CDG's monthly Newsletter has been our "Service to Others" slogan, covering topics from outreach programs to how CDG builds. Continuing with this theme, and with Thanksgiving upon us, it seems just as important to dedicate this issue to giving thanks to **YOU**.

CDG Builders is so thankful for the new and ongoing relationships we've formed with our clients. Thanks to you, CDG has had our biggest year yet!

In September, CDG Builders was recognized as #74 in the Orange County Business Journal's list of Fastest-Growing Private Companies for the year 2013. CDG was noted to have an 84.7% growth in revenue over the last two years, launching us into the list.

Last month, we introduced you to our growing team of office and field employees at CDG Builders. We are thankful to have such a talented group of individuals who

are dedicated to providing exceptional service. Our "roster" is twice the size it was last year and we're still growing!

Our growth and success this year could not have been possible without the outpouring of work we have received from our clients as well as the support of our friends and family. We look forward to sharing our continued success with you all.

**From the entire CDG family to yours,
we wish you a happy and safe
Thanksgiving!**

**Congratulations
