ART AND HORS D'OEUVRES

3rd Annual Erin Art Exhibit

FEATURED ARTIST
Betty Bullen

It's never too late! Despite having an early interest in art, our featured artist majored in finance at UT and enjoyed a 30-year career in the banking industry. In 2004, Bullen retired and was finally able to devote herself to her passion for oil painting.

Bullen studied with master artist Dean Fisher at UT, then further developed her painting skills at the Scottsdale Artist School in Arizona. In 2004, she exhibited at the Dogwood Arts Festival and sold 11 paintings. "I remember thinking how strange it was that people would pay for my work," she recalls.

The paintings of Betty Bullen have been exhibited at Clayton Center for the Arts in Maryville, the Emporium in Knoxville and at Fountain City Art Center. She has also been a featured artist at the Dollywood Fall Harvest Event for eight years and currently teaches an art class at Maryville College. "I paint what is felt in the heart," she says.

In addition to paintings, the art exhibit will feature works of photography, digital glass, stained glass and woodworking, as well as cross canvasses by Erin children and youth. Selected works will be available for purchase by check or cash.
