

**SUNY Upstate Medical University**  
**Chair, Department of Anesthesiology**

SUNY Upstate Medical University College of Medicine located in Syracuse, NY has initiated a search for an innovative leader in academic anesthesiology to serve as the next **Chair, Department of Anesthesiology**.

The Department of Anesthesiology is an important asset for Upstate and Upstate University Hospital with its 715 beds on two campuses. University Hospital provides many one-of-a-kind services to Central New Yorkers including emergency and ICU services with the highest level of advanced life support, [a Level 1 adult and pediatric Trauma Center](#), [a Bariatric Surgery Center of Excellence](#), the region's only Burn center, a regional oncology center and the new Upstate Golisano Children's Hospital.

The next Chair of Anesthesiology at Upstate will lead an academic department committed to providing exemplary medical and surgical care while advancing knowledge related to perioperative care and critical care medicine. He/She will oversee Upstate's competitive, ACGME-accredited postgraduate training programs, anesthesiology residency and pain management fellowship, and 34 faculty members who represent the only academic faculty group in anesthesiology in Central New York and the largest and dominant group providing anesthesia services in the region.

The successful candidate will be an M.D., or M.D./Ph.D., certification by the American Board of Anesthesiology with proven scholarly accomplishments, and national recognition in an anesthesiology discipline as evidenced by involvement in academic societies at a national level. Korn/Ferry International is assisting Upstate Medical with this important search. Please forward your CV or nominations of highly qualified candidates to:
