

## CSI Portland Chapter Certification

GOOD NEWS from Certification Committee!! The board has evaluated our scholarship program over the last year and decided to change it up a bit. We feel that the best way to support our chapter is to promote education so that more of our members can benefit from it.

The Portland Chapter is now offering scholarships for the advanced certifications with much the same qualifications as the CDT scholarship. This will include the Certified Construction Contract Administrator (CCCA); Certified Construction Specifier (CCS) and Certified Construction Product Representative (CCPR).

### **Advanced Certification Scholarship criteria (CCCA, CCS & CCPR):**

- 1) Be a CSI Member in good standing or willing to become a CSI Member
- 2) Have your CDT certificate and meet the experience criteria for the advanced exams
- 3) Make a 1 year commitment to a CSI committee of your choice as a CSI member in good standing

### **Value of the Portland Chapter Advanced Scholarship: \$368.00**

- 1) Cost of program Practice Guide and Study Workbook (\$88.00)
- 2) Exam cost reimbursed upon passing (\$280.00)
