

AROUND THE WORLD CLUB

Grades 3-5 Students

Spend your Wednesday afternoon learning about cultures from around the world. Students will learn about the geography, language, arts and entertainment, and different foods of six, various cultures.

Join third grade teachers, Ms. Cirincione, Ms. Nemes, and Ms. McGuinn for 6 sessions of Around the World Club! If you would like, bring a healthy snack each week. We will provide the rest of the materials for the club. Students will get a chance to create a project that is authentic to each specific culture.

Around the World Club will take place every Wednesday between April 23-May 28. A third grade teacher will meet you in front of Ms. Cirincione's classroom (Room 311) afterschool on each Wednesday session. The cost is \$65. Deadline to join is Monday, April 14. 4:00pm pick-up will be at 3911 N. Bell entrance unless students attend Aftercare.

If you have any questions, please email a teacher listed below with any questions:
