

ILLINOIS DISTRICT 12 LITTLE LEAGUE CHALLENGER DIVISION **BUDDY PROGRAM**

The Horner Park Little League Challenger Division is looking for “buddies” to assist our Challenger Players this season. Buddies help each player learn the game of baseball, improve fundamentals, and stay safe on the field and in the dugouts. More importantly, buddies help their players have a lot of fun playing baseball.

The Challenger Division meets every Sunday at 9:30 AM to 11:30 AM beginning Sunday, April 20th and will hold its final game on Sunday, July 27th. We will not meet during Memorial Day or Fourth of July weekends. Games are played at Horner Park (on the corner of Montrose and California).

The Buddy Program is a great way to fulfill service hour requirements, but more importantly, is a great way to help kids with physical and mental challenges enjoy the game of baseball.

If you are interested in becoming a buddy, please contact Ryan Smith at ry.m.smith@gmail.com or 773.391.7123. Volunteer forms will be provided upon request. We appreciate your interest and are excited for the upcoming season.
