DID YOU KNOW...

That 12% Americans with disabilities have taken a cruise in the last 5 years¹, while 10% of the general U.S. population has taken a cruise in the last 3 years². That means travelers with disabilities enjoy cruising at an even greater rate than those without!

We do not require proof of disability such as medical certificates or disability placards. However, during the booking process we will ask guests to attest to their need for the accessible stateroom.

ASSISTANCE

What kind of assistance do you provide?

We provide boarding and departure assistance with wheelchairs to guests with mobility disabilities. We also provide assistance to guests who are blind. Request assistance once you arrive at the pier or contact us prior to your cruise so we may prioritize your assistance. During peak times, there may be a wait for assistance. Our crew members are not permitted to lift our guests.

Guests with mobility disabilities are offered quicker processing at the pier. If boarding has not begun, we will offer pre-boarding.

ASSISTIVE DEVICES

Do you provide wheelchairs or scooters?

We provide complimentary wheelchairs for getting on and off the ship. If you require a wheelchair or scooter during the cruise, you can bring your own or rent one from a company that provides rentals for cruises.

Can I bring my own assistive devices with me?

Yes, you may bring and use wheelchairs, mobility scooters, walkers, canes and other assistive devices onboard our ships. Due to safety reasons, Segways® may not be used onboard.

Must I store my assistive device in my stateroom?

Yes, assistive devices including mobility scooters must be stored and recharged in your stateroom so fire doors, corridors and elevator lobbies are kept clear for emergency evacuation.

Can my assistive device fit through the stateroom door?

If your assistive device is 23 inches or less, it will fit through a standard stateroom door. If your assistive device is 32 inches or less, it will fit through an accessible stateroom door.

Can I bring a CPAP or BIPAP machine?

Yes, please notify us at least 30 days prior to sailing if you will need distilled water and extension cord.

COMPLAINT RESOLUTION OFFICIAL (CRO)

What are CROs?

CROs are available to respond to disability related concerns. They are trained on applicable U.S. Department of Transportation (DOT) disability regulations and our policies and procedures for guests with disabilities. Feel free to request a CRO at our pier check-in counters at all U.S. ports of departure or at the Guest Relations Desk onboard our ships.

CRUISETOURS

Do you offer accessible Cruisetours in Alaska?

Yes, accessibility extends to the land portion of our Alaska Cruisetour packages. One third of our motorcoaches are wheelchair lift-equipped and Wilderness Express® railcars are equipped with dome-level wheelchair seating, allowing travelers with disabilities to access both levels.

What about other Cruisetours?

Most non-U.S. Cruisetours are not wheelchair accessible. In most cases we are unable to accommodate full-time wheelchair users. If guests are able to take steps to get into motorcoaches and can maneuver in a standard hotel room, they may be accommodated. Portions of these Cruisetours may require extended periods of walking over uneven surfaces and/or steep terrain, as well as extended periods of standing and steps.

PLANNING AHEAD

Can I travel alone?

We do not require guests with disabilities to travel with another person as a condition for traveling on our ships. However, our personnel are not required to perform personal tasks (e.g. assisting with eating, dressing, toileting or lifting) and therefore, guest requiring assistance with these functions should consider these needs when making a booking. If there is a question about the guest's fitness to travel without personal assistance, this must be discussed with our Access Department.

SERVICE DOGS

Do you accept service dogs?

Yes, we accept service dogs. A service dog is defined as "any dog that is individually trained to do work or perform tasks for the benefit of a person with a disability." Service dogs are not considered pets.

Can I bring dog food onboard?

You may bring a reasonable quantity of dog food and bowls at no charge. If refrigerated space is needed, notify us at least 30 days prior to sailing.

What health paperwork is required for service dogs?
