

# American Baptist Int'l Ministries World Missions Conference July 21-25, 2014 at Green Lake, WI

Twelve hundred people from all over the United States and around the world met in a giant “tent” to celebrate 200 years of Baptist missions, beginning with Adoniram and Ann Judson in 1814.

In addition to all the ABC missionaries and their families, there were over 100 mission partners from countries around the world: Vietnam, Myanmar/Burma, Congo, Haiti, China, India, Nagaland, Czech Republic, Thailand, Laos, Brazil, Liberia, Nigeria,

Georgia, the Middle East, Jamaica, South Africa, South Sudan, Nicaragua, Dominican Republic, Poland, the Philippines, Hong Kong, Uganda, Ethiopia, Hungary, Puerto Rico, and the list goes on and on and on! And add to all these the many hundreds of American Baptists who came from all over the country, and you have the makings of one of the most amazing missions conferences ever! WOW! WOW! WOW! Praise God!!!

Holy Spirit Renewal Ministries was given the exciting opportunity to staff the Conference Prayer Room all week. Our Team was comprised of Norelle Luke (HSRM Vice Chair from Kansas), Hannah Ford D’Alessandro (CA), Eugene and Joy Purdy

(Iowa), Pam Davies (Montana), Sue Fitzgerald (PA, and current Pres of Am Baptist Churches of PA & DE), and Clayton and Cheri Ford (San Diego). We used the Beaty Room in Bauer Lodge as

Prayer Central, and we’re excited to report that God touched many lives during the week. God is so GOOD!

HSRM Chair Clayton Ford also had the privilege of leading two workshops at the conference, entitled, ***“The Holy Spirit and Our Mission Mandate.”*** We hope to have the audio of this message on our HSRM.org website in the very near future.

We are so very excited about the amazing partnership developing between HSRM and International Ministries. We’re tremendously grateful to **Dr. Reid Trulson, Dr. Stan Slade, Dr. Ray Schooler** and many other leaders of IM who graciously opened the door for us to have meaningful and significant ministry roles at both the All-Staff Gathering (July 12-18) and the World Missions Conference (July 21-25). **THANK YOU SO VERY MUCH!** And above all, we want to thank Jesus Christ, Lord and Head of the Church, for these wonderful opportunities to serve among so many amazing people!

In addition to all these blessings, here are some more: We met people from many nations who would like us to come to their nations and teach about the ministry of the Holy Spirit and minister in His power; we saw people healed in answer to prayer; we saw marriages mended, and great missionary saints encouraged and refreshed in the Spirit. A missionary in Latin America has offered to translate Clayton Ford’s book on the Holy Spirit into Spanish; a missionary from Thailand has offered to translate his book into Thai language.

Some leaders from other nations are already reading the book we gave them or that they purchased, and we are getting very encouraging feedback, including this one from a leader in India, who emailed Hannah Ford D’Alessandro regarding her music and our Holy Spirit book:

*Hi Dear sister Hannah Ford, Greetings to you in the precious name of our Lord and Savior Jesus Christ. I thank God almighty that the WMC is a great blessing to me. Learned greater things at green lake, and your family - specially your father and you - inspired me a lot not to give up in the ministry but swim against the tide. Thanking you so much for the gifts, the song album. Though you are far away we are listening to your voice. I have already read a few chapters of your Dad's book. You know one thing the book helped me, it was like a friend in the waiting of the air stations... You have now become international gospel singer.*
