What is VBS?

Vacation Bible School is a week-long morning summer program for children who are 4-years old (by July 1st) through those who have completed 4th grade.

The children are divided into groups and rotate through a series of stations. At each station they will encounter the day's Bible passage in different ways, through crafts, games, and movies..

We do not divide the children into groups based on their age, they will be in mixed age groups. Except for the Pre-School aged children, they will be in a group with other Pre-School aged children.
