

THANK YOU ST. TERESA'S

The entire Fraser Family would like to thank St. Teresa's faculty, students and families for supporting the Hilltop 5K run and walk at Corpus Christi parish in honor of Anne Marie on December 13th. We are extremely touched by the outpouring of love, and we appreciate everyone's support and prayers. It gave Anne Marie and our entire family a big emotional boost. There were over 800 runners and walkers who participated. Wow! With all the negative news lately, if this doesn't restore your faith in humanity nothing will. It was great to see a community come together and words cannot describe our gratitude. Also, a special thanks to everyone who donated for non-uniform day. Thanks again and God Bless you and your families.

Love, Jim, Susanne, Mary, Anne Marie, Claire and Katherine
