

## PIANO LESSONS

*Does your child love music and want to learn how to play piano? Studies show that playing a musical instrument can enhance performance in other school subjects such as Mathematics and English. Learning to play the piano is a gift which lasts a lifetime.*

*A limited number of lesson slots are available starting in the Fall at St. Teresa School during the K-2<sup>nd</sup> Grade lunch recess. A couple of openings are also available at my home studio after school.*

*If you would like to discuss lessons for your child, please contact me on (618)-239-0122, email me at [gillcerbin@yahoo.com](mailto:gillcerbin@yahoo.com), or complete the form below and return it to the school office. I look forward to hearing from you.*

*Sincerely,*

*Gill Cerbin*
