September 27, 2013

Dear Bedwell Families,

The results are in! Recently, 2nd, 3rd, and 4th grade Bedwell students were surveyed to determine ten topics they would like to learn more about. With all of the tallying completed, I've come up with the 28 most popular areas of interest. Here's where you come in...

I am looking for parents, friends, relatives, or neighbors of Bedwell students willing to volunteer to come to our school and make short presentations to small groups of students. Last year we were able to hold approximately thirty-five of these "Brown Bag Presentations". They are *immensely* popular with the students! This year I'm hoping to increase that number and include some of the willing presenters that we could not schedule last year. If you have expertise or experience in any of the following topics and would consider sharing your knowledge with similarly interested students, please fill out the form on the back and return it to me. If you filled out a form last year, please fill out a new one for this year so that my records stay current. **If you have a topic you'd consider presenting which is not included, please indicate it below.**

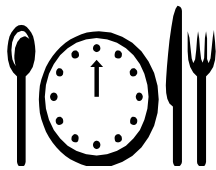

Thanks,

Emily Pike
