

APEX FUN RUN FAQ

Pledge Per Lap and Simple Donation?

Pledge Per Lap means you pledge a dollar amount for every lap that your student completes at the Apex Fun Run (between 26-36 laps, not more than 36). **Simple Donation** means you pledge to pay a flat amount regardless of how many laps your student runs. For example, you can pledge \$1, \$5, \$10, etc. Pledges per lap allow students to reach the goal, and either pledge works great!

How do I edit a pledge?

Pledges can be edited by going to the "My Pledges" page and clicking the "Edit" button below each sponsor. All pledges are locked in at midnight PST each night so the Apex Fun Run team can coordinate prizes for the next day. If you need to change pledge information for a sponsor, please click on the Help Request question below and tell our team. Someone will get back to you as soon as they can from the school.

How are the Awards calculated and earned by each student?

The awards are given to each student based on the pledge per lap amount raised. Pledges per lap are added to unlock each new prize level.

Simple donations can also help students reach awards: \$30 of simple flat donations are considered to be equal or the same as \$1 pledged, per lap. So if someone gave \$60 simple donation to the student, it would result in \$2 pledged, per lap increase.

How do I pay my donation?

Checks are to be made out to Birchview PTA. You will also get a link to pay on your email.
