

BIRCHVIEW COMMUNITY SERVICE NIGHT

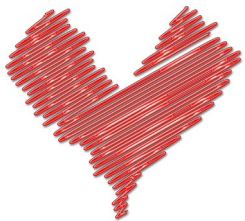

Date: 11/20/14

Time: 6:30pm to 8pm

On Thursday, November 20th, we hope to encourage and engage Birchview in the spirit of service. We will create several different stations where we will be able give back to those in need.

Serving others does not need to cost anything but it does need to come from the heart. That is where Birchview will stand out! We will be able to use our big Birchview hearts to

give back to our community. Check out all the ways we will help!
