

In partnership with the national American Academy of Pediatrics, Healthy Child Care America program, ECELS is presenting an audioconference, “Using Model Child Care Health Policies to Improve Quality.”

**Wednesday, February 12, 2014 – 12 noon - 1:30 EST**

11 AM-12:30 PM CT

10 AM-11:30 AM MT

9 AM – 10:30 AM PT

**Intended Audience:** Child Care Health Consultants, Child Care Health Advocates, Head Start Health Coordinators, Early Childhood Professionals, Health Professionals, and Technical Assistance Specialists:

**Presenters include:**

Susan S. Aronson, MD, FAAP - ECELS Pediatric Advisor and PA AAP Chapter Child Care Contact

Timothy Shope, MD, FAAP - Associate Professor, General Academic Pediatrics,

University of Pittsburgh

Moderator: Danette Glassy, MD, FAAP, Co-Chair AAP Council on Early Childhood

**Objectives — At the conclusion of this activity, participants will be able to:**

- Describe the intended use of *Model Child Care Health Policies*
- Correlate *Model Child Care Health Policies* with *Caring for Our Children*, 3rd ed. national health and safety standards for early care and education
- Use *Model Child Care Health Policies* to help educators write or revise their written policies to be consistent with the online, updated version of *Caring for Our Children*, 3rd ed. national health and safety standards.

Registrants will receive a pre-webinar survey to prioritize content. Webinar will include Q&A. There is a \$10.00 per person registration fee.

Look for registration details soon.

CME/CEUs are pending from the University of Pittsburgh. Credit will also be awarded through the PA Keys Professional Development System.
