Arty Parties at Your Location

- * Abrakadoodle can come to your home or other location any day of the week, subject to availability.

We ask that a parent/responsible adult help and assist the teacher. If you are adding Face Painting, this will be done after the art activity while your guests enjoy cake, etc.

Arty Parties at Abrakadoodle

- * Abrakadoodle also offers parties at the Art Room in St. James (367A Lake Avenue) any day of the week, subject to availability.
- * Each Arty Party includes everything listed above plus 2 hour exclusive use of the Art Room.
- * You can bring your own food, beverages and dessert or Abrakadoodle can provide them at an additional charge.

Arty Party Themes

Abrakadoodle has dozens of party themes. Our most favorite parties are listed below. You may also contact us to discuss your theme for your child's party. We will suggest art activities that go along with your theme.

Kids on Canvas*

Our most popular type of party! Kids paint on canvas with acrylic paint. The choices are endless...from the Impressionist Gardens of Monet and Renoir to exciting Action Painting of Jackson Pollock. So many possibilities!

Dolly and Me Arty Party!

Kids bring their favorite little friend (Barbie-sized doll, 18" Doll, or stuffed animal) and create doll-sized art. Choose our "Fun Food" Project where guests create realistic food and accessories for their dolls out of Model Magic or "Dolls on Canvas" where guests and their dolls paint on canvas (one canvas for each guest, one doll sized canvas for each doll)*.

Fun Fashion Arty Party!

Directly from the runway. From Leonardo da Vinci to Louis Vuitton, the illustrators, designers and artists who focus on the world of high fashion and design inspire children to create their own unique style. Our fashionistas can design their own handbags, footwear, gloves, or hats or choose from many other activities.

Abrakadoodle has hundreds of other themes including: Under the Sea, Animal Adventure, Fancy Girl Party, Castles and Dragons, 3D Adventures...the list goes on and on. Just give us a call and we'll talk about your child's interests and make more tailored suggestions.
