EI October November Webinars and Courses

SLA – as part of The Partnership – encourages you to review the upcoming professional development webinars and courses coming up in October and November. You can view the calendar Education Institute Calendar which links courses directly to the registration page. You will need to apply for an account in advance (easy). If you are an individual, associate, or honourary life member or your institution is a member of SLA you can receive member rates. The course descriptions indicates the credits if you are enrolled for a Continuing Education Certificate. Group viewing is encouraged – a shared learning experience for a great value.   One hour webinars are $45 for members/$55 for non-members.
