The screenshot shows the homepage of Electromagnetic Health.org. At the top left is the logo "Electromagnetic Health.org" in white text on a dark blue background. To its right is a photograph of a bright sun or starburst. Further right is a yellow box with a quote: "Our lives begin to end the day we become silent about things that matter." - Martin Luther King, Jr. Below these elements is a navigation bar with links: News, Who We Are (audio), Quotes from Experts, Media Story Leads, Community Health Assessment, and Contact Us. The main content area is divided into three columns. The left column features a book cover for "Public Health SOS: The Shadow Side of the Wireless Revolution" by Camilla Rees and Magda Havas, priced at \$19.95. Below the book cover is a "Watch Videos" section with two video thumbnails: "Columbia Law School 'Wireless Hazards Panel'" and "Public Exposure". The middle column has a "Participate!" section with a handwritten-style petition request: "Please sign E-Petition to Congress!" and a "Petition Now!" button. Below that is a "Support Worthy EMF Non-Profits" section with a "Donate Now!" button, and a "Mailing List" section with an email input field and a "Sign up" button. The right column is titled "Listen to Experts" and lists several audio interviews with experts, each with a small portrait photo and a title: "What's Happening to Patients?", "How Serious is This Problem?", "Public Health in Jeopardy", "The DNA & Cancer Connection", "What's Happening in Nature?", "Deceptions With Science", "The Call to Action!", and "Wisdom Traditions Perspective".
