

Hello Pacific Southwest Young Adults,

We have a lot of fun stuff coming up in the next few months and I want to be sure you all know about it:

-The First-Ever PSWR Young Adult Gathering will be happening on Saturday April 26, 2014 at First Christian Church of North Hollywood. The event is a day retreat with opportunities to gather and get to know young adults from across the region, celebrate worship, and eat! The theme for the event is "Everyday Body and Soul: rediscovering ritual." Workshops will focus on spiritual practices that are relevant to young adults, networking with one another, physical and mental spiritual health, and of course, having fun.

And lastly, we celebrate with First Christian Church of North Hollywood as they commissioned their XPLORE committee on February 9th. XPLORE is a collaborative effort between the National Benevolent Association and 5 host sites, including FCC North Hollywood. Starting in August, a group of young adults will enter into a year of communal living, and non-profit work in the San Fernando Valley. Throughout their year they will work with a spiritual advisor to continue to discern what God is calling them to be, all the while working to make a difference in the local community. They will partner with host sites across the country to make 2014-2015 a year of growth and change. We pray continued success on the XPLORE program and on all the young adults who will join in service.

With you on the journey,

-Justin Floyd
