

“Powercolor Painting” with Caroline Jasper

How far can you go in 3 days?

This workshop will change the way you see/think/paint.

Progress to more powerful paintings. Color communicates! Strategies for dynamic light/shadow effects, dramatizing depth in landscape, etc., and painting water will be emphasized. Along with a head full of color theory master concepts, take home valuable studies and inspired new paintings of your own.

Caroline Jasper is an oil painter, teacher of 30+ years and author of books *POWERCOLOR: Master Color Concepts for All Media* and *PAINTERS' GUIDE & COLOR MANUAL: Strategies for All Media*. Her works hang in many public, corporate and private collections. Her focus is on developing your personal vision and advancing your methods to higher levels. The goal is to make you a better painter. **Limited to 20 participants.**

When: Friday, Aug. 15 - Sunday, Aug. 17, 2014.
9am to 4pm each day.

Where: Art Works One, 2368 Eastman Ave., Unit #10, Ventura, CA
