

We need your help in our Community Service Learning Programs!

We have need for parent volunteers to assist in morning advisory classes around MPA's student-led community service initiatives. You do not have to have a student in the class for which you volunteer, and we will provide you with all the necessary background and information needed for the project.

Please check below which area you are able to assist in, sign the form, and return to school by Friday, December 20. *Also, please remember you need to have attended a volunteer training session and a BCI on file.*

Thank you!

List of advisory projects:

- **Belko:** *Cuyahoga Valley National Park* - Seed cleaning and sowing.
- **Burton:** *Shoes & Coats 4 Kids* - Packaging clothing for children in need
- **Cook:** *2100 Lakeside Men's Shelter* - Housewarming drive
