News from the Genesee County Chamber of Commerce

Message from the President

It may be cold outside but 2014 is already heating up at your Genesee County Chamber of Commerce. Over 270 people attended our annual [Awards Night](#) at The Clarion Hotel on February 22nd. It was a wonderful evening in which we were able to celebrate the great accomplishments of this year's award winners.

This month's big event will be the [Chamber's First Annual Home Show](#) to be held March 28-30 at the Falletti Ice Arena. Nearly 60 vendors have committed to showcasing their products and services at the Home Show. Our Home Show committee has been hard at work for months and promise to produce a first-class home show that will benefit both the vendors and their potential customers that attend. So make sure you stop by the Ice Arena and browse through the Show. You'll be glad you did.

We will also be sponsoring Local Restaurant Week from March 31-April 5. The Chamber will handle the promotion and marketing of Restaurant Week for all Chamber member restaurants at no cost to the participating restaurants. Another benefit of being a Chamber member!

And if you're sick of this cold winter weather, here's a couple of Chamber initiatives that should help get you thinking of warmer weather. Our tourism staff has been busy attending golf shows in Erie and Toronto to promote our area golf packages. Not surprisingly, interest in our golf packages is ahead of last year's pace as people look forward to summer time in Genesee County. And mark your calendars now – the Genesee County Chamber of Commerce's [Annual Golf Tournament](#) will be held Thursday, July 31 at Terry Hills Golf Course. I know I can't wait!

Regardless of the weather, your Genesee County Chamber of Commerce is committed to doing everything we can to create an environment for business success for our members. Don't hesitate to contact us if there is any way we can help.

Tom Turnbull
President
