

BURIAL PLOTS

First Church has a number of burial plots available in four of San Diego's most reputable memorial parks. This is an excellent opportunity for anyone who might be interested in selecting a burial location as part of their pre burial arrangements. Each site is offered well below the present market value of the properties.

While this is not something we often think about, burial sites can quickly become a much needed commodity when final arrangements are not made in advance. Planning ahead brings emotional peace of mind, along with the reassurance you have helped ease some of the decisions surviving family members will need to make under difficult circumstances.

Lawn burial plots, crypts and niches are available in four San Diego area locations:

1. Cypress View Mausoleum (Also known as El Camino Memorial Cypress View Mausoleum) on Imperial Ave. at 40th Street in San Diego - (Three (3) sites)
2. El Camino Memorial Park at Carroll Canyon Road in Sorrento Valley - (Nine (9) sites)
3. Glen Abbey Memorial Park in Bonita - (Three (3) sites)
4. Greenwood Memorial Park at 4300 Imperial Avenue in San Diego - (Seven (7) sites)

The specific type and location of these burial properties are available for your reference. For additional information, please contact Sandra Sinn in the Development Office, 619.297.3442.
