Please keep these 20 team members in your prayers until their trip is over. Thank you for your support in helping them help others!

Financial help is needed this year. Each team member has contributed \$200. The cost per person will be about \$950. We need to raise about \$7,000 more. Please consider sponsoring any of the following:

- One roundtrip plane ticket on Delta Airlines: \$425
- One minivan rental cost per week: \$400 (Enterprise gave us a great rate!)
- One week of food and lodging for one participant: \$250
- One tank of gas while in New York: \$80
- One rental car cost per day: \$57
- Donation for construction supplies per participant: \$50
- One day of food and lodging for one participant: \$35
- Baggage fees for one participant one way: \$25

Please make the check out to your church and put New York Mission Team in the memo section or on offering envelope. Thanks!
