

## AFTER SCHOOL ART CLASSES FOR EARLY CHILDHOOD

I will be around the first weeks of school, greeting the children, parents and grandparents as we come back together after the summer. If the art room door's open, please come in. I'm glad to talk and answer questions about the classes. I like meeting the new children and showing where we do art. If you don't find me, email and we'll set up a time.

if you would like to sign up your child(ren) for art classes, please fill out a file card for each child and look for the box to leave them in on the office counter. Include: CHILD'S NAME, BIRTHDAY, TEACHER, PARENTS' NAMES, EMAIL ADDRESSES, TELEPHONE NUMBERS, write any comments on the back.

### DATE AND TIMES:

Classes will begin 9/24/14. There will be two Kindergarten classes on Wednesdays. The two groups will be formed with the help of the Early Childhood and Aftercare teachers, also taking into consideration your thoughts which you may write on the back of the sign up card above.

I will pick up the children in the first group at 1 pm at their classrooms. After class I will take the children who are signed up, to aftercare and those not signed up, will be picked up by their parents outside the art room.

The children in the second group starting at 2 pm, will be picked up in aftercare and taken back at 2:45 if they are signed in to aftercare, or picked up by parents if not.

### COST:

The cost for the first block of six classes (9/24-10/29), including materials, is \$72.

### PAYMENT:

I have been offered help to start up an online system of payment (Pay-pal) which I hope will offer an easier way for parents to pay. In the meantime, and for those who prefer checks (made out to Joy Hill) or cash (in an envelope with your name), please leave them in the wooden box on the office counter.

Again, hoping to simplify things for everyone, this year I will announce fees in a more timely manner and I'm asking that payment be made before the first class of the block begins. If and when you need more time, send me a note/email. If for any reason a child must discontinue a class, I'm glad to reimburse the remaining fees. There is no cost for classes missed for school field trips or events. Personal absences may be made up (I will arrange make ups at your request).

See you at school
