

Weddings! They are joyful... and stressful.. **Come see for yourself in Conestoga High School's version of the hysterical 1950 American Comedy, *Father of the Bride*.** This highly acclaimed production is about a man trying to deal with the preparations for his daughter's wedding. Out of nowhere, daughter Kay announces her engagement to Buckley, one of the young men Mr. Banks has seen only occasionally about the house. Mrs. Banks and her sons are happy, but Mr. Banks is in a tizzy. Buckley and Kay don't want a "big" wedding – just a "simple" affair with a "few" friends. That's the intent, anyway.
