## Celestial Tuning: Earth Moon Set Protocol

Ohm unison (listening, grounding)

Ohm octave spread - In the field, Mid Ohm above and Low Ohm below

Create the space to grow into the octave

### You will be layering each point four times:

**Upper Star, Du 23** - New Moon 5th, Earthday 5th, Full Moon 6th, Solar 7th

**Middle Star, St 25** - New Moon 5th, Earthday 5th, Full Moon 6th, Solar 7th

**Lower Star, Sp 8** - New Moon 5th, Earthday 5th, Full Moon 6th, Solar 7th

Now use Solar 7th in a cocoon to fully activate.
