

Southeast Louisiana Coalition of the Air Conditioning Industry

Class: "Radiant Barrier — Why Contractors & Homeowners Need to Understand this Option for Heatload Reduction"

Instructor: Mario Medina, Ph.D., P.E.
Dept. of Civil, Environmental
& Architectural Engineering,
University of Kansas

Date: Thurs., October 2, 2014

Time: 5:30 pm — Refreshments
6:00 pm — Class

Dr. Medina is currently "the" national researcher on Radiant Barrier products & their applications. Come learn how Radiant Barrier works alongside different insulation types, & how to help clients make good decisions in retrofit or new construction situations.

ALSO COMING SOON!
