Worship with the **Jason Eaton Band**

In just three short years, Jason Eaton Band's accomplished more than most fresh-faces, in turn, establishing itself as a critically acclaimed and commercially embraced act for all ages. The title track from Eaton's debut EP Nothing Back not only garnered national airplay in America, but also landed on the airwaves internationally, most notably, notching top 20 status in Europe. With a radio and television tour in tow, the leader appeared on prominent programs as diverse as "TCT Rejoice," "100 Huntley St.," "The Jim Bakker Show," "Arkansas Alive" and the Cornerstone TV Network. Add in an extensive headlining tour, a top ten nod on Word Records' list of the best indie bands in America, plus some dates with hit makers Newsboys, Anthem Lights, Rush of Fools, Fireflight, Thousand Foot Krutch, Aaron Shust, and Big Daddy Weave

Retreat Speaker Blake Porter

Blake Porter is a Loving, Learning, Leader within the walls of Elevate Life Church as well as outside the church. I honor him as an evangelist as well as an "ANOINTED" speaker. He has proven over and over again that BPM's mission is to do one thing and that is to be a neon sign pointing people to Jesus. I highly recommend his ministry to any church, college, conference or youth event."
