## Culture's Plan For Sex vs. God's

*I'll put pleasure to the test ... But that proved to be meaningless. — Ecclesiastes 2:1*

Eric Tooley teaches media literacy. Catch and consider the subtle messages about sex in media. Eric uses TV clips, movie trailers, celebrity quotes, humor, and object lessons to show culture's plan is meaningless compared to God's plan for sex.

### YOU CAN LEARN A LOT ABOUT SEX FROM...

A Taste Test

A Pirate

Cold Drinks

Celebrities

### BY ASKING THE B.I.G. QUESTIONS!

**B** - What **BELIEF** about sex is being promoted?

**I** - **IS** it true?

**G** - Is that message **GODLY**?

Eric requires a parent preview program before the student program. Parents learn how to be their child's sexual educator.

*"I enjoyed how you used clips to point out the lies our culture sells through the media. Our students really like having you back each year." - Teacher*

*"I never knew how subtle culture was about sex. I have gained a new perspective." - Girl, age 15*
