

Specialists' Conference Times*

**Additional options available by request.*

Our school benefits from many phenomenal teachers...including the talented teachers that help your child with art, music, technology, Spanish, and PE. Did you know that our Specialists are very interested in collaborating with families and available to conference? We hope you will consider scheduling a time to meet with a Specialist.

Below are the conference hours for our Specialists starting October 9th. (Many conference times have already been worked, and if your family needs additional meeting options please contact a specialist and we will work with you to schedule a time to meet.)

Greenwood Elementary shares some staff between buildings and also employs some part-time teachers, so hours posted below will reflect that. Our goal is to partner with you to help your child be successful in all areas.

Please reach out and schedule a conference time with one (or all) of your child's amazing teachers.
