

May 19 Math Olympiad Celebration – 2:30 pm Time Change!

Please update your May calendar. We've made a slight change in plans.

Our end of the Year Math Olympiad Celebration will still be held in the Auditorium on **Monday, May 19. The time of the meeting, however, has been changed to 2:30** to accommodate students who will be participating in Honor Choir auditions earlier in the afternoon. We are looking forward to a special time of celebrating the accomplishments of our Math Olympians together.

Thanks for planning ahead with us.
