Attention All Parents, Grandparents and Friends!

Can you remember looking back at your annuals and wishing you had your own little part of it? Now it is your chance to make that memory possible for a student you know and love. The **2013-2014 Blazer**, the Sullins Academy annual is looking for big grins and memories to last for a lifetime. Students have the opportunity to be featured by purchasing an ad in the back of the annual. This helps lower the overall cost of the yearbooks. You can purchase a small ad, a whole page, or if you're really ambitious, more than one ad!

This is a wonderful opportunity to celebrate a student's last year here before graduation at Sullins Academy, or even a little one's first school experience. Ads don't have to be individualized. Teams, long lasting friendships, or special events can be featured as well.

Let's make Sullins Academy's 47th year a memorable one, and let's make this year's **Blazer** one that we can look back at fondly for years to come. Please fill out and return the form below to your child's teacher as soon as possible. Due to the limited ad space we will accept requests on a first come, first serve basis. You will have plenty of time to plan and design your ad. We'll contact you in the future if you choose to participate. If you have any questions, please email me at mbarrett@sullinsacademy.org.

Thank you for supporting Sullins Academy,

Mara Barrett

Please fill out the form and return to your child's teacher as soon as possible because when the ad pages fill up we won't be able to accept any additional requests.
