Introductory Training for Prayer Teams

We have many faithful prayers here at FUMCWG, but many of you have said that you were not comfortable praying aloud with another person or group. Using materials from "The Christian School of Healing Prayer" will allow us to move toward having prayer teams of two to pray with folks at the altar, in homes, in nursing homes and hospitals. Take this step of faith and come and join us.

During this session of C.O.W. we will explore **Creating the Covenant** which examines how the Covenant community is created and established.
