The advertisement banner features a dark red vertical bar on the left with an image of a tablet, a stack of books, and glasses. The main header area is light green with the text "Writer's Helper" in a large, elegant script font, and "Soft on writers - Tough on text" in a smaller, sans-serif font below it. On the right side of the header is a portrait of a woman with short brown hair and glasses, wearing a white shirt. Below the header, there are social media sharing buttons for Facebook (Like) and a generic Share button. A testimonial quote is centered: "If you could edit your own writing, save heaps of money, and still get your Web site, ebook, or other material the attention it deserves, wouldn't you?". Below this is the main title "Introducing Get Your Writing Fighting Fit" in red, followed by a horizontal line. Underneath the line is the subtitle "This Unique Ebook Removes the Mystery From Editing So You Can Do It Yourself" in black. At the bottom, there is a final line of text: "Finally, an ebook that reveals editing secrets so SBlers can self-edit with confidence!".
