The screenshot shows the website 'The Little Green Books.com' with a green header and a cartoon frog logo. A sidebar on the left contains navigation links: Home, Bird Watching In My Back Yard, Media Centre, and Contact. Below these links, it says 'We have 1 guest online' and 'follow us on twitter'. The main content area features the 'SIMPLY GREEN' eBook, which is described as 'Backyard Fun For Families'. The book cover is green and shows silhouettes of people in a backyard. The text on the page describes the book as containing 60 pages of green low cost fun and ideas for families to enjoy and learn about their own backyard and development of life time environmental skills. It also mentions that the book includes time saving projects that can be printed out and used for drawings or stories for the fridge door. The authors are listed as Ron Smith and Bob Winters.
