Who Else Wants A <u>Proven</u> Marketing 'System' Guaranteed To Ignite Profits For Your Physical Therapy Practice?

Follow This Proven 'System' That Has Already Dramatically Increased Profits For Many Physical Therapy Practices Around The Country!

Thursday, November 06, 2014

Dear fellow clinician,

Plecome to one of the most valuable resources on the entire internet for Physical Therapists!

It is our pleasure to provide this much needed information to you. Please feel free to browse the site, including an excerpt from the Physical Therapy Success Manual. You may also ask any questions that you might have, by contacting us via e-mail @ webmaster@physicaltherapysuccess.com

Our mission is to provide valuable information to our Physical Therapy community. This information is unique and is aimed at helping the staff physical therapist, physiotherapist, clinic manager, and practice owners. Discover proven strategies to grow your practice and avoid costly mistakes. If you are a talented physical therapist but lack a marketing degree then this information can help you succeed.

You will find comprehensive marketing information and insight in how to dramatically increase patient referrals. We have analyzed and provided proven techniques that can be used right away to secure more clients via direct physician marketing, consumer marketing, and a third very effective but under utilized technique. Simply, apply these techniques and watch your referrals skyrocket!
