[Enter Here -> SANDI'S GARDEN PATCH -
Product Details](#)

The screenshot shows the homepage of 'sandi's garden patch'. The header features the site name in a large, lowercase font next to a close-up image of a yellow sunflower. Below the header, a green banner contains the text 'Welcome to Sandi's Garden Patch' and 'I provide high quality gardening information.' A paragraph of text follows, stating: 'Graduate from Burnley (Uni Melb) in 2005, I have over 22 years experience in garden maintenance. Gained more experience as an program assistant to ABC TV Gardening Australia and regular contributor to Your Vegie Patch Magazine.' At the bottom, a dark grey navigation bar lists various gardening topics: 'Purchase eBooks Here', 'Starting a Vegetable and Orchard: A Gardening Guide for Schools or Community Groups', 'Tomatoes for Temperate/Cool Areas', 'Tropical/Sub-tropical Areas', 'Hot Arid Areas', 'Broccoli, Brussel sprouts, Cabbage and Cauliflower', 'Peas, Beans and Broad Beans', 'Identifying Nitrogen Deficiencies', and 'Pumpkins and Zucchini'. A small white box with the number '0' and a 'Tweet' button are visible at the bottom center.
