"Madeline, how did you become such a great cook?"

My secret - my friends and family's Jewish Recipes!

Do you remember that unique, delicious aroma coming from the kitchen when you came home from school? Or do you remember walking into your friend's home and wanting to ask to taste whatever was cooking on the stove?

Maybe your dishes don't taste just the way you remember your grandmother (Bubbie) or mother's did?

Have you ever wanted to learn how to make those incredibly delicious Authentic Jewish Recipes for your family and friends?

Possibly you stayed away from much of the Jewish recipes because you remember them to be so unhealthy. Well, we have given you the original recipes and then, in most cases, the modern healthy version.

If so... let's get started and meet the cooks in my family who will make it happen for you...
