Black Belt Covers Ver. 2 | virtual product cover creation

**Stop Paying Hundreds Of Dollars  
For Virtual Product Design!**

**Save Time And Money By Doing It Yourself!**

Hi friends,

If you have a virtual product, such as an e-book, that you're selling, it's important for you to have a pictorial representation to present to your customers. Many e-book authors and marketers simply pay a design service to do this for them, but it usually ends up **costing hundreds and hundreds of dollars.**

**There's another way!**
