

The Tampa/Hillsborough County CoC is counting to end homelessness, will you count?

We are asking for volunteers to join others who are committed to ending homelessness to assist in conducting the count on February 27, 2014.

This is a one-day, statistically reliable, unduplicated count of sheltered and unsheltered homeless individuals and families in the country. It serves to measure the needs of the homeless population in our community as well as provide direction for future development of housing and services.

The Homeless count will be conducted on the streets, locations where homeless individuals can be found, and at service provider locations in every city and unincorporated area in Hillsborough County.

Will you help us count?

To register for the count please visit our web page
homelessofhc.org

If you have any question please call the Tampa Hillsborough Homeless Initiative
