The Role of Outdoor Discussion Questions

1. What should our promise to girls be regarding outdoor experiences in the Girl Scout Leadership Experience?
2. Girls tell us they enjoy their Girl Scout experience more when they get outdoors regularly and in varied ways. How can GSUSA and councils work together to provide outdoor experiences for our girl members?
3. What can Girl Scouts (local and national) do to support and encourage volunteers and girls to incorporate outdoor experiences into their regular troop activities?
4. What support should GSUSA be providing councils to strengthen outdoor experiences within the Girl Scout Leadership Experience?
